DESCRIPTION

5-panel cap for children in a 60% cotton / 40% polyester blend, designed for comfortable everyday wear. The child fit and flat visor give a modern, casual look while the fabric combines softness with durability. The adjustable snapback closure adapts the cap to sizes 2/6 years and 6/14 years. Hand wash is recommended to help maintain shape and visor.

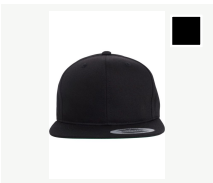

The construction features embroidered eyelets for improved ventilation and reinforced seams on the panels to keep structure. The flat visor provides a smooth area for high-quality printing. Available in several colours, for example black, navy or red.

This cap is available to personalise from one piece and suits companies, sports clubs, schools, associations and private customers. Possible techniques: screen printing (transfert sérigraphique), MSO transfer, DTF printing, flex (flock) and embroidery. Our studio can retouch or vectorise your logo ahead of production.
