DESCRIPTION

This vanilla-scented candle comes in a glass jar with a natural bamboo lid and is presented in a paper gift tube. The Ancient High model (Ø8 x 10.5 cm) holds about 240 g of wax and is suited to scenting and styling living rooms, offices or reception areas. The product is available in several colours, for example transparent and black.

The glass jar provides a clean finish and stable placement on tables or shelves; the bamboo lid may show slight colour and grain variations typical of natural materials. The tubular gift box makes it convenient to store or give as a present.

These personalised candles and perfumes can be customised by DTF printing, screen printing on objects, laser engraving or pad printing depending on the desired finish. Ideal for companies, sports clubs, associations, events and private customers. Minimum order: 8 pieces (colours and sizes combined); a free weekday quote is available.
