DESCRIPTION

This stoneware ceramic mug holds 300 ml and measures Ø8.3 x 11 cm. Its straight-sided shape with a comfortable handle makes it suitable for everyday use and easy to clean. Each mug is individually boxed in a white cardboard box, convenient for corporate gifting or event distribution.

The distinctive cork base provides a non-slip seat and a natural look while preserving the ceramic body. The simple cylindrical profile and generous handle ensure practical handling and serving. The product is offered in several colour options (e.g. white).

Recommended as a personalised mug for companies, sports clubs, associations, events or private clients, it can be customised by sublimation, screen printing (object) or pad printing. Minimum order quantity: 10 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo prior to decoration.
