Country of origin	China
Carton	25 pieces

DESCRIPTION

The Panay double-wall insulated bottle (480 ml) pairs a stainless steel inner body with a natural bamboo outer sleeve. Its slim cylindrical shape (Ø6.4 x 23.5 cm) offers a comfortable grip and the lid features a touch LED display that shows the liquid temperature to prevent scalding. A removable tea infuser lets you brew tea to your preference. Note that bamboo is a natural material and slight variations in colour and grain can affect decoration results.

The product shown has polished stainless accents at the lid and base for a neat finish. The lid is leak-proof for safe transport. Hand wash recommended to preserve the bamboo finish; the lid's CR2032 battery is replaceable.

This personalised bottle can be decorated by laser engraving or digital printing. Suited to companies, clubs, associations, events and corporate gifts, it is available from a minimum order of 13 pieces (colours and sizes combined). Our studio can vectorise or adapt your logo, taking into account the natural variations of the bamboo surface.
