DESCRIPTION

The Custa Set cutlery for lunch includes a knife, fork, spoon, a stainless steel straw and a cleaning brush, all stored in a small canvas pouch. Beech wood handles provide a natural feel and warm look; as a natural material, beech may show slight colour and size variations that can affect the final decoration. Compact size: 22.5 x 7 cm, ideal for picnics, work lunches or meals on the go.

The drawstring pouch keeps the set together for easy transport. Stainless steel parts are hygienic and simple to clean, and the supplied brush lets you clean the straw after use. The join between the wooden handles and metal is noticeable and part of the product’s practical finish.
