Cork mouse mat

Ref. 6344

Reference	6344
Composition	Cork
Material	Cork
Average weight	0.04
Dimensions	18 x 22 x 0.3CM
Country of origin	China
Carton	400 pieces

DESCRIPTION

The Matty mouse pad in cork is a practical desk accessory that improves mouse glide and precision while protecting the work surface. Made from 100% natural cork, it has a subtly porous, matte texture that gives a natural, warm look. Its compact size (18 x 22 x 0.3 cm) suits standard workstations and home offices.

The pad is thin and flat with rounded corners visible on the photo, making mouse placement easy. The cork texture provides good grip on the desk without impeding mouse movement; note that the material's porosity can cause slight variations in print appearance between items.

Order a personalised mouse pad and choose laser engraving or screen printing on the object to apply your artwork. Suitable for companies, clubs, associations and events. Minimum order quantity: 200 pieces (colours and sizes combined). Our studio can vectorise or refine your logo prior to production.

COLOURS (1)

Beige
