DESCRIPTION

Desk organiser in bamboo combining a pen holder and a 10W wireless charging pad, finished in FSC®-certified bamboo. The compact unit (24.5 x 12.9 x 9.2 cm) supports a phone at an angle for convenient viewing while keeping pens and small items to hand. Bamboo gives a natural, tactile surface; wipe clean with a damp cloth.

The design visible in the photo shows separate compartments — a pen cup, a rear tray for small objects and a central angled section concealing the charging area — providing a tidy, stable presence on a desk. This is not a textile product and is offered in a natural wood tone.

You can personalise this personalised wireless charger with digital printing, doming or laser engraving, ideal for companies, sports clubs, associations, events and corporate gifts. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production applies and items can be collected from our Evere workshop or delivered in Belgium, France and Luxembourg.
