Reference	6346
Composition	Bamboo
Material	Bamboo
Average weight	0.55
Dimensions	12,2 x 16,9 x 45,5 CM
Country of origin	China
Carton	10 pieces

DESCRIPTION

A bamboo desk lamp with a minimalist profile, suited for office desks or home workspaces. It features a vertical stem and a flat LED head with 48 LEDs for focused, glare-free lighting. The rectangular base doubles as a stand and houses a 10W wireless charging pad compatible with most recent smartphones. As a natural material, bamboo may show slight variations in colour and grain between items.

Touch-sensitive controls are integrated into the base and the unit includes two additional USB ports for charging extra devices. Its compact footprint ensures a stable presence on a desk. Output: DC 9V/1.1A (10W). Care is straightforward: wipe with a soft, dry cloth to maintain the bamboo finish.

Customise this personalised wireless charger using digital printing, doming or laser engraving to suit corporate gifts, office use, events and associations. Minimum order: 5 pieces (colours and sizes combined). Note that natural variations in bamboo can affect the final decoration result.
