DESCRIPTION

Contemporary desk lamp in ABS featuring a flexible arm and an integrated 10W wireless charger. The lamp head contains 10 LEDs and the touch controls are discreetly placed within the base for easy use. Compact (16 x 8.4 x 24.5 cm), it suits a workstation, reception desk or bedside table and is easily wiped clean. Available in 1 colour (white).

The flat base provides a Qi-compatible charging area for smartphones while the adjustable arm lets you direct light where needed. The ABS finish delivers a smooth, low-maintenance surface; output is DC 9V/1.1A to support relatively fast charging of recent devices.

This personalised wireless charger can be branded by digital printing, doming or pad printing, making it suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 30 units (colours and sizes combined); smaller quantities can be produced at additional cost. Free quote within 24 hours on weekdays; standard production 10 working days, collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our studio can retouch or vectorise your logo.
