DESCRIPTION

This cotton shopping bag in a square format (38x42 cm) is designed for everyday use as a grocery tote or event bag. The unisex cut features long handles for hand or shoulder carrying, a flat profile for easy storage and a natural cotton feel for straightforward care. It holds up to 2.5 kg for light loads.

The bag is constructed with a simple straight body and no visible closure or internal pockets, making it very suitable for full-surface decoration. Handles are stitched to the top for reliable wear during regular use; the practical finish is intended for distribution at events, shops or promotions.

Customisable by screen printing, transfer, DTF printing and flex, this tote is ideal for companies, sports clubs, associations, schools, events and individuals wanting a colourful promotional item. Minimum order: 50 pieces (colors and sizes combined); smaller quantities may be possible with additional fees.
