DESCRIPTION

Drawstring bag made from organic cotton with a simple cut and dimensions of 37x41 cm, suitable for carrying light belongings or as a gym bag. The organic fabric and visible weave give a natural cotton feel; the bag supports up to 2.5 kg and closes with a pull cord that doubles as shoulder straps. Care is straightforward given the specified cotton quality (140 g/m²).

Practical finishing touches include standard side seams, a double cord for even load distribution and a small edge label. Its flat shape makes it easy to fold and store when not in use.

This personalised drawstring bag can be customised using flex, screen printing on objects, multicolour transfer or DTF printing. Ideal for companies, sports clubs, associations, events and private customers looking for an eco-responsible option. Minimum order: 100 pieces (colours combined). Free quote within 24 hours on weekdays, graphic studio available; collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Standard production 10 working days.
