Average weight	1.655
Dimensions	29.5 x 22 x 7CM
Country of origin	China
Carton	5 pieces

DESCRIPTION

A portable stainless-steel barbecue designed for camping and outdoor use. This suitcase-style model unfolds into a compact, stable grill with an integrated grate and a folding support beneath the body. The overall dimensions (around 29.5 x 22 x 7 cm) make it easy to carry and store. The stainless construction simplifies cleaning and provides reliable durability for regular outdoor use.

Built for straightforward operation: the grate sits above the firebed while the folding legs/support keep the unit steady on level ground. The kit includes a base compartment for charcoal. Care is standard — warm water and a wire brush for the grate; avoid abrasive cleaners on coated surfaces.

Customisation is available by laser engraving on the suitcase or metal panels, suitable for businesses, sports clubs, associations, events and private customers. This item is not sold per piece: minimum order 3 pieces (colours and sizes combined). Free quote and graphic studio available to prepare your logo.
