DESCRIPTION

Stainless steel cup with a 350 ml capacity, designed as a reusable alternative to disposable cups for events, picnics or office use. It features a slightly tapered straight profile with a rolled rim for comfortable drinking and a robust finish. Measuring Ø7.5 x 10.5 cm, it is easy to hold and clean.

The stainless steel construction provides lasting durability and withstands regular handling. The rolled rim improves comfort at the lip and reduces wear. Cleaning is straightforward by hand rinse; follow the product details for intended use.

Customisation options include screen printing, laser engraving and pad printing to achieve different visual effects. Suitable for companies, sports clubs, associations, events and individuals looking for a reusable branded item. Minimum order: 75 pieces (colours and sizes combined); smaller quantities can be arranged with additional fees. Personalised cup.
