DESCRIPTION

1 L double-walled stainless steel bottle designed to keep drinks hot or cold while on the move. The tall, slim profile (Ø8 x 31.5 cm) features a narrow neck and a bamboo lid with a metal carry loop for easy handling. The stainless finish gives a clean, durable look and is simple to maintain — hand rinse and gentle washing of the bamboo top is recommended.

The vacuum-style double wall improves insulation and the elongated shape fits comfortably in hand or drinks carriers. The bamboo cap provides a natural accent while the metal handle allows easy attachment or carrying. The bottle is available in several colours, for example matt silver, black or navy blue.

This personalised bottle can be marked by laser engraving, digital printing, screen printing on objects, pad printing (tampography) or doming. Suitable for companies, sports clubs, associations, schools, youth movements and private customers. Minimum order quantity: 8 pieces (colours and sizes combined). Our artwork studio can retouch or vectorise your logo to ensure a precise result on stainless steel.
