DESCRIPTION

The Respect Coloured tote is a beach/shopping bag made from recycled canvas (50% cotton, 50% recycled cotton) with a gusseted base (49x9x37cm) that provides generous capacity. The rectangular shape and long handles allow comfortable hand or shoulder carry, suitable for groceries, beach items and everyday use. The fabric shows a tight canvas texture, giving a natural appearance and good structure. Gentle wash is recommended to preserve the bag's shape.

Practical details include a reinforced gusseted base for better load distribution and wide handles for comfortable carrying. A small recycled-material tag is attached at the side. Its flat profile makes it easy to store in a car or locker when not fully loaded.

Minimum order: 25 pieces (colours and sizes combined). This product is ideal as a personalised sports and outdoor bag for businesses, clubs, associations, events or individuals using multicolour transfer, DTF printing, flex, embroidery or screen printing on items. Our studio can vectorise or retouch your logo; free quote within 24 hours on weekdays, pick-up at our Evere workshop or delivery in Belgium, France and Luxembourg.
