Material	PS
Average weight	0.09
Dimensions	Ø10 x 1,1 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Compact round wireless charger in PS, Ø10 x 1.1 cm, designed for Qi-compatible devices (recent Android phones and iPhone® 8 onwards). It delivers DC9V/1.1A (15W) output for steady charging and features a blue LED to indicate charging status. Its low-profile, circular shape makes it unobtrusive on a desk or bedside table, convenient for everyday use at the office or at home. Wipe clean with a soft cloth.

The unit shows a slightly raised central pad and a smooth PS finish with no visible moving parts. The power cable connects directly to the charger, keeping it compact and easy to store. No special maintenance is required beyond routine cleaning.

This personalised wireless charger can be decorated by digital printing, pad printing or doming, and is suitable as corporate gifts, event giveaways, club or association merchandise and promotional items. Minimum order: 50 pieces (colours and sizes combined). Our studio can refine or vectorise your logo prior to production.
