Ref. 6392

Reference	6392
Composition	ABS
Material	ABS
Average weight	0.044
Dimensions	Ø7 x 1 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Compact, circular wireless charger made from ABS, designed for convenient Qi-compatible device charging. Measuring Ø7 x 1 cm, it sits unobtrusively on a desk or bedside table. Connect it to a USB power source; output is DC5V/1A (10W). A blue LED indicates charging status. Compatible with recent Android phones and iPhone® 8 onwards. Clean with a soft, dry cloth.

The low-profile design and smooth surface make correct phone placement straightforward, with charging starting automatically once aligned. The ABS housing provides durability for everyday use, and the small footprint makes it easy to store or carry.

Available to personalise from 50 pieces, this personalised wireless charger is suitable for companies, clubs, associations, events and corporate gifting. Marking options include pad printing or digital printing depending on the print area. Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
