Country of origin	China
Carton	400 pieces

DESCRIPTION

Magnetic phone holder in ABS, model Gada, designed to attach a smartphone to a laptop using a metal ring and a 3M adhesive on the back. Compact (12 x 3 x 0.4 cm), it provides a discreet, practical solution for video calls and multitasking. The ABS construction gives a smooth surface that is easy to keep clean.

The elongated arm and metal ring allow the phone to be positioned horizontally or vertically depending on use. The adhesive mount ensures strong hold on most flat laptop surfaces; please check compatibility with your device finish. The item is available in several colours, for example grey, black and white.

Customisable by digital printing, doming or pad printing, this product suits companies, clubs, associations, events and private customers looking for a branded, functional computer accessory. Minimum order: 200 pieces. Free quote within 24 hours on weekdays and a graphic studio is available to vectorise or refine your logo.
