DESCRIPTION

This King outdoor game in pine wood is a sturdy, portable set supplied with a cotton drawstring bag. It includes 9 short square blocks, 4 pointed stakes, 6 round dowels and 1 king piece, presented in a compact 34.3 x 34 cm layout suitable for families, clubs and outdoor events. The natural wood finish gives a comfortable grip and a tactile feel; care is limited to wiping with a dry or slightly damp cloth.

The pieces are shaped to stand upright and topple cleanly when struck by the smaller dowels; the finished edges and consistent proportions make gameplay reliable and storage straightforward in the provided bag. Aside from the cotton pouch, there are no textile components.

Order this personalised outdoor game for companies, sports clubs, associations or event giveaways: available personalisation techniques include flex, screen printing on objects, multicolour transfer, DTF printing and laser engraving. Minimum order: 4 pieces (colours and sizes combined). Free quote and graphic studio available to refine or vectorise your logo.
