DESCRIPTION

Compact round bamboo pocket mirror, model Malay, designed for quick touch-ups or checking appearance on the go. At 12 x 8 cm it’s easy to handle and comes with a cotton drawstring pouch for protection. As bamboo is a natural material, slight variations in colour and size can occur and may affect the final decoration result.

The cotton pouch keeps the mirror safe in a bag or pocket. The product is simple and robust: single-sided mirror set into a smooth bamboo frame, with no moving parts. Care is straightforward — wipe the mirror with a soft cloth and clean the bamboo gently with a slightly damp cloth if needed.

Suitable for businesses, sports clubs, associations, events and private customers. Customisation in bulk using techniques such as DTF printing, digital printing, doming, laser engraving, pad printing, screen printing on objects and multicolour transfer. Minimum order: 250 pieces (colours and sizes combined). Free quote and in-house graphic studio available to vectorise or adjust your logo.
