DESCRIPTION

500 ml glass bottle made of soda-lime glass, designed for carrying water throughout the day. Its slim profile (Ø6 x 20.5 cm) offers a comfortable grip and fits easily into a bag. The bamboo screw lid with a metal loop provides leak-resistant closure; as bamboo is a natural material, slight variations in colour and grain may occur between items.

The bottle’s smooth, transparent body is well suited to decoration and highlights printed or engraved logos. The straight-sided shape makes filling and cleaning straightforward. Compact and practical, it’s suitable for daily use, offices and events where the natural bamboo lid adds a subtle, elegant touch.

Customisation available by screen printing, laser engraving, pad printing, digital printing or doming. Ideal for companies, sports clubs, associations, events and private customers; minimum order: 13 pieces (colours and sizes combined). Our in-house design studio can retouch or vectorise your logo for printing.
