DESCRIPTION

Bamboo serving board with a handle and an integrated slot for the included knife, designed to present cheeses and snacks. The Darfield model is crafted from natural bamboo: the material offers good rigidity and slight colour variations may occur between items. Its rectangular shape with a handle makes serving and transport easy; the hole in the handle also allows hanging for storage. Dimensions: 27.5 x 19.5 x 1 cm. Care: wash by hand and air dry to preserve the wood.

The board features a recessed area where the cheese knife fits neatly, convenient for storage and presentation. Rounded edges provide a comfortable grip and the surface retains the natural bamboo grain, offering a subdued, natural finish rather than a high gloss.
