DESCRIPTION

Cork luggage tag Coco, practical for travellers and compatible with most suitcase handles. The rectangular tag (6.4 x 9.5 cm) includes a clear plastic window protecting an insert card for name, address, phone and e-mail. Cork is a natural material with a textured, lightweight feel that gives the accessory an understated, eco-friendly look. Available in 1 colour (beige).

The tag features a strap with buckle for secure attachment to a handle. The cork surface is slightly porous, so individual items may show minor variations in appearance. The plastic window keeps contact details protected and allows the insert card to be replaced easily.

Customisation is available by laser engraving, pad printing or digital printing. Suitable for companies, sports clubs, associations, schools, youth movements and private customers for events or corporate gifts. Minimum order quantity: 250 pieces (colours and sizes combined).
