Dimensions	9 x 18CM
Country of origin	China
Carton	500 pieces

DESCRIPTION

RPET felt sunglasses case designed to keep your prescription or sun glasses protected in a slim, lightweight format. The Nirson model has a rectangular shape with rounded corners and a visible felt texture that reduces scratches and cushions light impacts. Measuring 9 x 18 cm and made from recycled PET (RPET), it offers a discreet, sustainable storage option for everyday use.

The simple sleeve-style construction prioritises compactness and easy carry: it slips into a bag or pocket while keeping lenses away from abrasive surfaces. The felt finish provides a soft touch and stable hold without rigid internal supports, making it convenient for frequent handling and transport.

Personalise this personalised sunglasses case using flex, screen printing on objects, multicolour transfer or DTF printing. Suited to companies, sports clubs, associations and promotional events; minimum order: 250 pieces (colours combined). Our graphic studio can vectorise your logo and we provide a free quote within 24 hours on weekdays.
