DESCRIPTION

This sodalime glass bottle holds 650 ml and is designed for daily use: staying hydrated at work, school or events. Its cylindrical silhouette and compact dimensions (Ø7 x 21 cm) make it easy to carry and store. The bamboo screw cap provides a natural look and a leak-proof closure; as bamboo is a natural material, slight variations in colour and grain may occur and can affect the final appearance of any decoration.

The smooth glass surface is hand-washable and offers a clean printing area for high-quality marking. The minimalist design suits corporate gifting and promotional campaigns; the model is primarily offered in transparent form with a choice of finishes.

Personalise this personalised bottle using screen printing, laser engraving, pad printing, digital printing or doming. Minimum order: 15 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, schools and events.
