DESCRIPTION

Outdoor game board in MDF designed for cornhole play and a reversible tic-tac-toe side. The slightly inclined board measures 51 x 31 x 3.8 cm and comes with eight throwing bags, making it suitable for garden parties, corporate events or club use. The MDF surface gives a natural wood appearance and is easy to maintain with a gentle wipe.

The board features foldable legs visible in the photo for easy setup, transport and storage. Printed scoring rings and target circles on the playing surface help track points during play. Its compact dimensions make it practical for lawns, terraces or community halls.
