5.3 wireless bamboo speaker

Ref. 6428

Reference	6428
Composition	Bamboo
Material	Bamboo
Average weight	0.128
Dimensions	Ø6,8 x 8,1 CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Compact wireless personalised speaker in a cylindrical bamboo shell with a metal grille on top and plastic trims at the rim and base. Its small dimensions (Ø6.8 x 8.1 cm) and built-in Li-Ion battery make it easy to carry for music on the go. The bamboo finish gives a warm, natural look — minor variations in grain and tone may occur between items. Clean with a dry or slightly damp cloth.

The design features a top speaker grille and a small PU carry loop for portability. The casing is straightforward and sturdy, suitable for desk use, outdoor moments or events. Technical data indicate 3W output (4 ohm) and approximately 2 hours playback on a full charge.

This personalised speaker can be decorated by laser engraving or tampography. Minimum order: 25 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and private buyers seeking an eco-friendly promotional item in bamboo. Our graphic studio can refine and vectorise your logo for decoration.
