Shot glass with a 28 ml capacity, made from soda-lime glass and featuring a thick solid base for stability. The slightly flared rim makes pouring and drinking easier while the compact size suits tastings and small servings. Dimensions: Ø4.5 x 7.1 cm. Care is the same as standard glassware.

The design is clear and smooth with a substantial base that improves balance and handling. Its understated shape works well for bar sets, events and corporate gifting where a durable, reusable option is preferred.

We can personalise this glass with pad printing (tampography) or laser engraving to add logos, names or small graphics.
