DESCRIPTION

The Bicca Cap is a 5-panel baseball-style cap made from organic cotton, designed for everyday wear. It features a pre-shaped curved peak and a structured crown that keeps its form, with an adjustable metal buckle at the rear to ensure a secure fit. The organic cotton composition makes it an environmentally preferable option and straightforward to care for.

Visible details include neat topstitching on the peak and a rear opening that facilitates ventilation and adjustment, finished with a stitched button at the crown. Available in several colours (for example Black, Blue and Beige) and measuring 21x17x11 cm.

Suitable for companies, sports clubs, associations and events: customisation techniques include embroidery, multicolour transfer, DTF printing, flex and screen printing on objects. Minimum order quantity: 70 pieces (colours and sizes combined). Free quote within 24 hours on weekdays.
