DESCRIPTION

The Seat & Drink insulated bag converts into a compact foldable seat or small table, designed for picnics and camping. Built with an MDF shell and a polyester 600D cover insulated with aluminium film, it helps keep food and drinks cool. Measuring 28.5 x 28 x 28 cm and fitted with a carry strap, it is easy to transport. The supplier indicates a maximum load of 80 kg and also notes a maximum supported weight of 2.5 kg.

The item’s compact shape includes a cushioned top for seating and reinforced side panels that preserve rigidity when used as a seat or surface. The cover fits snugly around the base, making it practical to store in a car or carry to outdoor events. Lightweight and simple to handle, it suits casual outdoor use.

Available from a minimum order of 5 pieces, this personalised picnic and camping product is suitable for companies, sports clubs, associations and events. Personalisation techniques available: screen printing on objects, multicolour transfer, DTF printing and flex. Free quote in 24 h on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
