DESCRIPTION

The Honiara sunglasses pair a metal aviator frame with bamboo temples for a natural yet contemporary look. Designed for everyday sun use, they provide UV400 protection. The model features adjustable nose pads and mirrored lenses, and comes with a microfibre pouch for safe storage. Because bamboo is a natural material, slight variations in colour and grain may occur between items.

At 13x14x5 cm the proportions deliver a classic, comfortable fit. The bamboo arms are smoothly finished and gently curved to follow the head, while the metal frame gives reliable support around the nose and temples. Clean with a microfibre cloth and an appropriate lens cleaner to maintain finish and optics.

These personalised sunglasses can be decorated by laser engraving, pad printing, object screen printing, multicolour transfer, DTF printing or flex. Well suited to company promos, events, clubs, associations and summer giveaways. Minimum order: 125 pieces (colours and sizes combined).
