DESCRIPTION

The Trevis bamboo desk organiser is practical for everyday office or home use. It features grooves to hold a smartphone upright and shallow compartments for paperclips and sticky notes, keeping small supplies neatly together. Bamboo is a natural material so slight variations in colour and grain may occur between items, which can affect the appearance of any marking. Its compact size (9 x 16.5 x 0.8 cm) makes it easy to place on a desk without taking up much space.

The smooth finish cleans well with a soft, dry cloth; avoid prolonged immersion in water to preserve the material. The chamfered edges and precise cut-outs provide a tidy look and reliable organisation of small items on the workspace.

Customisable from 50 pieces, this personalised accessory accepts several marking techniques: digital printing, doming, laser engraving and pad printing. Ideal for companies, clubs, associations, events and corporate gifts. We provide a free quote within 24 hours on weekdays and offer a design studio to vectorise or refine your logo.
