DESCRIPTION

This RPET felt shopping bag, Duo Indico model, is made for everyday use. Its straight cut and contrasting base give the bag structure and a practical rectangular footprint (55 x 15 x 39 cm) for carrying shopping. The long shoulder straps allow it to be worn over the shoulder for hands-free convenience. The RPET material, produced from recycled PET, offers a felt-like appearance with improved environmental credentials compared to virgin plastic.

The photo shows clean, simple construction with visible seams along the edges and a no-nonsense finish that makes maintenance straightforward. The bag is offered in several colours and a contrasting base option adds a smarter, more durable look.

As a personalised shopping bag this item is available from a minimum order of 25 pieces (colours and sizes combined). Personalisation options include Flex, Screen printing (object), Multicolour transfer, DTF printing and embossing. Ideal for companies, sports clubs, associations, events and private customers.
