DESCRIPTION

RPET felt sports and weekend bag designed to carry workout gear or belongings for a short trip. Its rectangular shape and dimensions (50 x 24 x 28 cm) provide usable capacity while remaining easy to carry with webbing handles or the detachable, adjustable shoulder strap. The RPET felt gives a structured, matte finish derived from recycled PET and a reinforced base helps the bag keep its shape.

The bag features a zipped front pocket for small items and a wide zippered main compartment for easy access. Visible details — reinforced vertical webbing, neat seams and a contrasting bottom panel — enhance durability in everyday use. Practical proportions for the gym, sports activities or short getaways.

Customize this personalised sports bag using screen printing, transfer, DTF printing or flex depending on the desired look. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 10 pieces (colours and sizes combined).
