DESCRIPTION

Compact insulated lunch bag made from RPET, designed to carry a meal or drinks with a capacity of around 3 L. The RPET construction provides durability and easy care; the 2 mm PE foam with aluminium foil lining helps keep contents cool. Measuring 26 x 14 x 18 cm, it is practical for the office, picnics or short trips.

The bag features a flat front pocket for small items and a top flap fastened by a strap for secure closure during daily use. Reinforced seams and bound edges improve the bag’s stability when loaded. Lightweight and space-saving, it is simple to clean on the surface.

Customisable for companies, sports clubs, associations and individuals; minimum order 50 pieces. Available marking techniques: screen printing on items, multicolour transfer, DTF printing and flex. Suitable as an event giveaway, staff lunch bag or team gift. personalised Sacs de sport et d'extérieur.
