## DESCRIPTION

Unisex 15" laptop backpack made from RPET 600D two-tone fabric, sized 31 x 15 x 44 cm to carry a laptop or tablet securely. The design features a padded laptop compartment for added protection and a structured RPET finish that withstands daily use while remaining easy to care for — suitable for office, study or travel within the city.

The flap closes with a magnetic snap for quick access; a zippered front pocket and two side pockets keep accessories, chargers or a water bottle organised. Padded shoulder straps and a top grab handle provide comfortable carrying, and the visible stitching and flap panel details give the backpack a neat, professional appearance.

This personalised backpack can be marked by flex, screen printing, multicolour transfer or DTF printing. Minimum order: 10 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and corporate gifting. Free quote within 24 hours on weekdays and our graphic studio can vectorise or retouch your logo.
