## DESCRIPTION

The Wireless Matty wireless charging mousepad pairs a natural cork surface with a built-in 15W wireless charger, making it a practical office accessory with a natural look. Measuring 23 x 20 cm and 0.5 cm thick, it gives ample room for mouse use while allowing you to charge compatible smartphones (iPhone® 8 and newer, recent Androids). Cork is a 100% natural material, so surface texture and porosity may vary between items.

The product image shows a flat finish with clean edges and a power cable for the charging module (output DC 9V/1.6A). The cork surface improves mouse precision without additional pockets or fastenings. Wipe gently to clean and avoid prolonged exposure to moisture to preserve the material.

Customize this personalised office accessory with laser engraving or screen printing on the object, depending on the desired look. Ideal for companies, clubs, associations, events and corporate gifts. Minimum order: 10 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. We provide a free quote within 24 hours on weekdays, a graphic studio to vectorise or retouch your logo, and delivery in Belgium, France and Luxembourg or collection at our workshop in Evere.

## COLOURS (1)

Beige
