DESCRIPTION

Set of six egg-shaped chalks presented in a cardboard egg box measuring 15 x 10 x 7 cm. Designed for drawing and colouring, these chalks are shaped for easy handling by children and are suitable for creative activities or Easter events. Material: chalk, for use on pavement, paper or boards.

The cardboard box protects the chalks and offers compact storage between uses. Each piece keeps an oval, egg-like form for a playful look; the chalk wears down like standard chalk and cleans off hands and smooth surfaces easily. The item is available in 1 colour (beige) and its small format makes it convenient for gifting or including in activity packs.

Customisation available by tampography, digital printing or doming — practical for companies, clubs, schools, associations, events or private gifts. Minimum order quantity: 12 pieces (colours and sizes combined). personalised writing and colouring options offered across a wide range of items.
