DESCRIPTION

Practical and compact, this sewing kit comes in a small kraft paper case (6.8x5 cm) and contains essentials for quick mends: needles, a safety pin, assorted threads and spare buttons. The paper construction keeps it lightweight and easy to slip into a travel pouch, handbag or jacket pocket. No special care is required provided the contents are stored dry, making it suitable for occasional use on the go.

The case folds to protect the contents; threads are wound on flat cards and buttons are supplied loose for easy access. Its palm-sized format is convenient to distribute at events or include in travel or first-aid kits, offering a discreet, practical solution for minor repairs.

This sewing kit can be personalised by digital printing, doming or pad printing. Ideal for companies, associations, clubs, events and private customers looking for a useful promotional item. Minimum order: 500 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays.
