Compact bamboo tool case containing the essential bits for small home repairs. The 19.5 x 11.8 x 3 cm wooden box houses 3 screwdrivers, a bit holder with 10 bits (flat and Torx), 4 sockets, a cutter, a handle and an adapter, each held in a fitted insert. The bamboo gives a natural, warm finish; slight colour and grain variations may occur between items.

The case opens flat and secures with a metal clasp for easy storage and transport. Its neat bamboo presentation makes it suitable as a client gift or a handy kit for DIY enthusiasts. The compact dimensions make it simple to slip into a drawer or carry bag.
