DESCRIPTION

Handcrafted 10.5 x 6.5 cm seed envelope containing a mix of summer flower seeds, designed for mailbox distribution or gifting at events. Made from kraft paper, the pouch presents the seeds attractively while protecting them during storage and postal handling. Its compact size makes it convenient for promotional mailings and eco-minded giveaways.

The product is paper only and features a slim, flat profile that eases stacking and shipping. The stated dimensions leave space for a legible print without obscuring the contents, making it suitable for seasonal campaigns, invitation-to-plant initiatives and community outreach where a tangible, sustainable message is important.

Customisable from 100 pieces (colours and sizes combined). Available techniques: digital printing, Doming, pad printing. Suitable for companies, sports clubs, associations, events and private customers seeking an original, sustainable promotional item. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
