DESCRIPTION

Unisex trucker cap with a five-panel build combining cotton and polyester, featuring a mesh back for ventilation and a curved, stitched visor that retains its shape. Available in several colours — for example black, navy or khaki — and supplied in one size.

The cap has a snapback closure for easy adjustment and visible multi-row stitching on the brim for durable finish. The mesh rear keeps the cap lightweight and breathable, making it suitable for regular wear while maintaining structure and comfort.

This personalised trucker can be customised from a single piece using screen print transfers, transfer MSO, DTF printing, flex or embroidery. Suitable for companies, sports clubs, associations, events and private customers. Our studio can also retouch or vectorise your logo to ensure optimal results.
