Recycled mesh Trucker cap

FLEXFIT · Ref. 6511RM

Reference	6511RM
Brand	FLEXFIT
Composition	100% Cotton, 100%
Material	100% Recycled polyester, 100% Cotton
Country of origin	Bangladesh
Carton	72 pieces

DESCRIPTION

Unisex 6-panel trucker with a curved peak, offering comfortable everyday wear. The structured front panel and peak are cotton, while the side and rear panels are made from breathable 100% recycled polyester mesh, providing good ventilation for extended use. It comes in two sizes (S/M, L/XL) and multiple colour options.

The photo shows a pre-shaped peak and clean stitching on the front panel for a tidy fit. Flexfit® technology provides an elastic, secure fit without an obvious closure, making it practical for staff and volunteers who wear the cap for long periods.

This personalised trucker can be finished by embroidery, flex, screen print transfers, Transfert MSO or DTF printing depending on the desired look. Suitable for companies, sports clubs, associations, events and private customers; customisation is possible from one piece and our studio can vectorise and prepare your logo.
