Country of origin	China
Carton	400 pieces

DESCRIPTION

This square bamboo tape measure is a compact, natural tool well suited for everyday use in businesses, workshops or at events. The bamboo case (16.5 x 4.5 x 2 cm) shows the natural grain and slight variations typical of bamboo; the tape extends to 1 m and retracts neatly into the case. A wrist strap improves handling and portability. Care is straightforward — avoid prolonged exposure to moisture to preserve the finish.

The block-shaped casing provides a secure grip and minimal bulk in a pocket or tool bag. The retracting mechanism and metal tape end are practical for regular measuring tasks. The supplier's information indicates FSC certification.

Personalise this tape measure by digital printing, doming, laser engraving or pad printing to turn it into an effective promotional item. Suitable for companies, sports clubs, associations, events and private customers. Note: this promotional object is not available per piece — minimum order 200 pieces (colours and sizes combined); a smaller quantity may be possible with additional fees.

COLOURS (1)

Wood
