Ref. 6525

Reference	6525
Composition	Cotton
Material	Cotton
Average weight	0.118
Dimensions	40 x 62,5CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Cotton golf towel (350 g/m²) sized at approximately 40 x 62.5 cm, designed for players who need a reliable, absorbent towel to dry clubs, balls and hands. The terry cotton provides good absorbency and a soft handle. The product features a reinforced eyelet with a metal ring for easy attachment to a golf bag, keeping the towel accessible during a round.

The towel shows a woven hem that protects the edges from fraying and a top loop with a ring for secure hanging. Care is straightforward: machine wash with similar colours and air-dry to preserve the cotton fibres. Its compact, durable construction makes it suitable for frequent outdoor use.

Personalise this personalised golf towel using flex, embroidery, screen printing on objects or multicolour transfer; recommended for companies, golf clubs, associations and promotional events. Minimum order: 50 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Free quote within 24 hours on weekdays; standard production 10 working days. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
