DESCRIPTION

RPET golf towel, model Towgo, designed to care for your equipment on the course. Measuring 63 x 40 cm, it provides ample surface to dry balls, club grips and hands. Made from recycled PET, the fabric is lightweight and offers practical absorbency for sporting use while presenting a more sustainable choice than virgin materials.

The towel features stitched edges and a metal eyelet with a hanging ring to attach easily to a golf bag, keeping it accessible during play. Its rectangular shape and compact dimensions make storage simple, either tucked into a bag pocket or clipped to the outside. Care is straightforward: rinse and air dry.

This personalised golf towel is suitable for companies, clubs, associations, events and private customers and can be customised by screen printing on object, multicolour transfer, DTF printing, flex or embroidery. This is a promotional item with a minimum order of 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production 10 working days. Collect from our Evere workshop or opt for delivery in Belgium, France and Luxembourg. Our design studio can vectorise or retouch your logo.
