DESCRIPTION

The Sonorabam A6 notebook is a compact, meeting-ready pad combining a bamboo cover with 70 lined sheets of recycled paper. It is top-spiral bound, features an elastic closure and a PLA pen loop with a recycled ballpen included. The rigid bamboo cover gives a natural feel and protection while remaining lightweight for daily use. As bamboo is a natural material, slight variations in colour and grain may occur and can affect the final decoration result.

Practical details such as the spiral binding, elastic strap and pen holder make this notebook ideal for professionals on the move or for event giveaways. Size: 14.6 x 9 cm — easy to carry in a bag. The recycled paper provides a clean writing surface and supports an eco-conscious message; FSC® certification is indicated by the supplier.

Customisation available by laser engraving, pad printing (tampography) or screen printing on the object. Suitable for companies, clubs, associations, events and corporate gifts. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio can vectorise your logo.
