DESCRIPTION

The Visionbam sticky notes set features a bamboo cover and a compact layout (8 x 10.5 cm) for everyday office use. It contains a large yellow pad, a medium pad and five coloured page markers to help organise meeting notes and quick reminders. The bamboo cover gives a natural, sturdy finish; as bamboo is a natural material, slight variations in colour and texture may occur between items. Practical for meetings, note-taking and checklists.

Bound to open flat, with dedicated slots for the pads and tabs; the slim design fits easily into a bag or drawer. The adhesive sheets stick well to paper and smooth surfaces. The product is FSC®-certified, reflecting responsible forest management.
