DESCRIPTION

The Macusa sunglasses feature an RPET frame designed for everyday summer use. The shape leans towards a classic wayfarer silhouette with straight temples for a secure fit. Lenses offer UV400 protection as specified, and the compact dimensions (15.5 x 4.5 x 13.5 cm) make them easy to store in a case or bag. The model is available in several colours, for example transparent, black or blue transparent.

The photo shows clean lines and integrated hinges, indicating a finish suited to regular wear. Care is simple: wipe lenses with a microfibre cloth and avoid extreme temperatures to preserve the RPET material.

These personalised sunglasses can be branded using DTF printing, doming or pad printing. They are suitable for corporate gifts, promotional events, clubs and associations seeking an eco-conscious option, or large-quantity orders for private clients. Minimum order: 100 pieces (colours combined). personalised sunglasses.
