Dimensions	32.7 x 22.4 x 0.4CM
Country of origin	China
Carton	48 pieces

DESCRIPTION

This A4 bamboo clipboard is a practical, unisex office accessory designed to keep papers organised during meetings, site visits or events. The bamboo surface offers a natural look and a stable writing area, sized 32.7 x 22.4 cm to fit A4 sheets. As bamboo is a natural material, slight variations in tone and grain may occur and can affect the appearance of any decoration. The metal clip at the top secures documents reliably, while rounded corners improve handling.

The clipboard is slim at 0.4 cm and features a smooth finish that suits everyday indoor use. The strong metal clip allows quick insertion and removal of pages, and the rigid bamboo board holds up well to regular handling. The product is FSC 100% certified (FSC-C213206), reflecting responsible material sourcing.

Customisation options include laser engraving, DTF printing and screen printing for objects, making this clipboard suitable for companies, clubs, associations, schools and promotional events. Minimum order: 24 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo; free quotes within 24 hours on weekdays and production under our standard conditions.
